WORLD **PANCREATIC**
CANCER COALITION

What tools/resources will you find useful?

What new ideas/opportunities will benefit your organization?

What scientific information did you find relevant to your work?

What resources will you use to increase global outreach and advocacy?

Ah Ha Moments!

WORLD **PANCREATIC**
CANCER COALITION

2018

What were some of your most powerful learning moments?

How has this conference facilitated networking opportunities for you?

What further support do you need?

What would you like to learn more about?
